

June 2024

It is our pleasure to share the 2023 Community Memorial Foundation Impact Report. This report highlights our success, achievements, and support of Community Memorial Hospital – Ventura during the past year. Thanks to generous contributions from our community, donations received totaled \$1,352,780 — a record high — and we’re putting every dollar to good use.

The hospital replaced essential equipment & acquired vital new technologies.

Medical equipment needs replacing and upgrading over time. Some donations covered basics like gurneys, stretchers & wheeled walkers, while other donations covered large capital needs that have made a difference throughout the hospital:

- The Cath Lab has a new Hemodynamic System to monitor patients during procedures
- The NICU has a new OmniBed Carestation that keeps infants safe & warm
- The Imaging Department has new portable Ultrasound machines for rapid bedside imaging
- Care teams across the organization are using new AccuVein® vein finding devices

Please consider making a gift to Community Memorial Foundation to help us ensure exceptional healthcare for our community.

We know there are many good causes out there, and we are especially appreciative that you choose to support Community Memorial Hospital – Ventura. Donors like you help our care teams deliver more for our patients, our employees, and the entire community.

Thank you for your consideration and continuing support.

With Gratitude,

Debbie Golden

Left & Center: CEO Welcome Reception • Right: Gurneys purchased by generous major gift donors

Generous Donors & Powerful Results

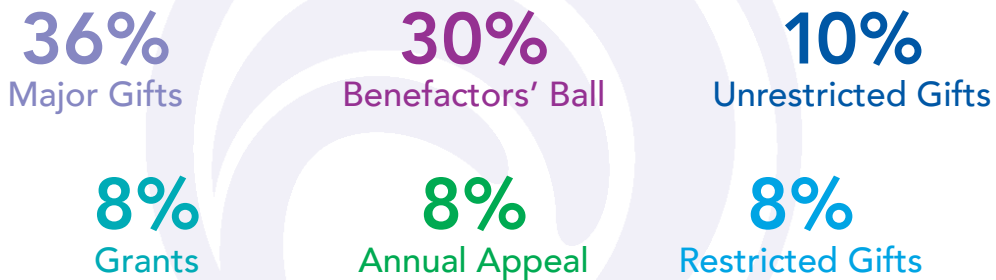

You Make the Difference

The Community Memorial Foundation raises funds to support Community Memorial Hospital – Ventura for its greatest needs, including the purchase or investment in leading-edge technology, vital equipment, education, programs, and services designed to better the health of our community. We've achieved a lot this past year thanks to donors like you. We welcome gifts of all sizes — there's no such thing as a small donation when it's coming from a big heart. Whatever you can give, it all adds up to a better, more efficient, and effective healthcare system.

Community Memorial Hospital – Ventura

Community Memorial Foundation 2023 Revenue: \$1,352,780

Foundation Purchases, Courtesy of a Caring Community

From powerful new imaging technologies to high-tech cribs for our littlest patients, our donors take care of our hospital so we can take care of our community.

In 2023, Community Memorial Foundation purchased \$1,076,751 in vital equipment.

Read below to learn about some of the ways we put your dollars to work.

Hemodynamic System

This state-of-the-art system monitors blood pressure, pressure inside the heart and arteries, blood oxygen levels, and more.

Portable Ultrasounds

Portable ultrasound enables rapid imaging at the patient's bedside — especially useful in the Emergency Department.

AccuVein® Vein Finding Device

This device enables clinicians to rapidly identify optimal vein targets for IV placement.

OmniBed Carestation

An incubator and radiant warmer in one, the OmniBed Carestation keeps our tiny NICU patients warm and cozy.

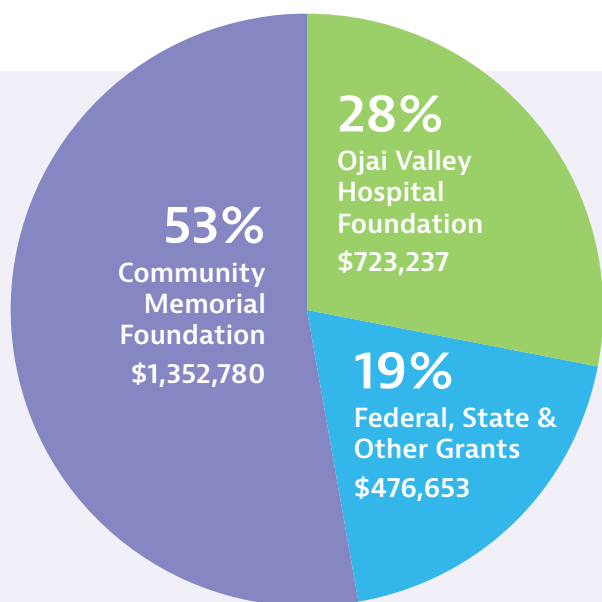

Hospital Gurneys & Stretchers

Foundation dollars help us replace basic essential equipment such as our gurneys, stretchers, and wheeled walkers.

Laboratory Equipment (Sterile Tubing Welder)

In the lab's welding process for pharmaceutical tubing, this device minimizes the risk of contamination of specimens.

2023 Philanthropy Across Community Memorial Healthcare **\$2,552,670**

Community Memorial Healthcare is more than just our busy Hospitals in Ventura and Ojai. We also offer primary and specialty care at 20 Health Centers conveniently located throughout Ventura County, and are supported by two charitable Foundations. Together we were able to raise more than \$2.5M in 2023.

Thank you for
your ongoing
support in 2024
